Banyan Lantern Technologies Pvt. Ltd.

Client Project Handover Procedure

1. Signed statement of work

When a client signs a statement of work, the Account Manager sends it to Delivery with the scope, the milestones and the agreed rates.

2. Project start

The Head of Delivery assigns a Project Manager within three working days. When the client accepts a milestone, the Project Manager sends the signed milestone acceptance to Finance.

3. Invoicing

Finance raises the GST invoice to the client within two working days of receiving the milestone acceptance.
