NovaGear Inc.

Purchasing Policy

1. Purpose

This policy defines the purchase request, approval, finance validation, and procurement handoff process used by NovaGear Inc.

2. Required Information

Every purchase request must include: Requester, Department, Requested Item, Estimated Cost, and Business Justification. Requests missing required information must not proceed to approval.

3. Approval Rules

Estimated Cost	Required Approval
Below USD 1,000	Manager approval
USD 1,000 - USD 5,000	Manager approval + Finance validation
Above USD 5,000	Manager approval + Finance validation + Director approval

4. Procurement Handoff

After all required management and finance approvals are complete, the request is handed to the Procurement Department. Procurement is responsible for vendor selection, purchase execution, and order follow-up.
