Wattle Creek Medical Group Pty Ltd

Purchasing and Equipment Policy

1. Purpose

This policy covers buying clinical equipment, medical supplies and services for the clinics.

2. Purchase requests

A Practice Coordinator raises a purchase request with the item, the clinic, the cost including GST and the reason. The Operations Manager confirms the need. Clinical equipment also needs the Clinical Director's sign-off.

3. Approval levels

Cost (incl. GST)	Approval required
Up to $5,000	Operations Manager
Over $5,000 and up to $25,000	Operations Manager and Finance Manager
Over $25,000	Operations Manager, Finance Manager and Chief Operating Officer

4. Supplier invoices

Practice Operations sends each supplier invoice to Finance. The Accounts Officer matches it to the purchase order and pays the supplier within 30 days.
